

INVASIVE PLANT MANAGEMENT LANDOWNER AGREEMENT

THIS AGREEMENT is made by and between _____ with an address of _____ (“Owners”) and the Chippewa Luce Mackinac Conservation District with offices at 2847 Ashmun Street, Sault Ste. Marie, MI 49783, a non-profit corporation organized and existing under the laws of the State of Michigan, (“CLMCD”).

RECITALS

A. The Owners are owners of land located at the following address which is incorporated herein by reference as the (the “Property”).

Property Address _____

City/State/Zip _____

Home Phone _____ Cell Phone _____

Email Address _____

Parcel Number (located on your property tax bill) _____

B. The CLMCD is a local unit of government whose mission is to foster partnerships among diverse stakeholder that support a healthy environment and economy for the Upper Peninsula.

C. The Property owned by the Owners is within the project area of the Three Shores Cooperative Invasive Species Management Project, contains invasive plant species including invasive Phragmites (*Phragmites australis*) and is a target area for invasive plant species control within the region.

D. The CLMCD has received a grant from the Michigan Department of Natural Resources for invasive plant control activities within the project area.

E. The CLMCD and its partners wish to undertake activities of invasive plant management on the Property, which will further healthy plant and wildlife populations and habitats and wildlife diversity.

NOW THEREFORE, the Owners authorize the CLMCD, its partners and hired contractors to engage in invasive plant management activities on the Property under the following terms and conditions:

1. TERM. This agreement shall be in effect from the ___ day of _____ 2017 to the 31st day of December 2022, unless otherwise terminated as provided for herein.

2. INVASIVE PLANT MANAGEMENT. The CLMCD, its partners, or its hired contractor shall have the right to enter the Property and manage invasive plants on the Property. Management techniques employed may include, but are not limited to, the ground application of herbicide (glyphosate) approved by the Michigan Department of Environmental Quality to control invasive plant populations on the Property, mowing live or dead standing invasive plant material, and the use of a GPS device to record information about the management activities conducted. Ground techniques may include, but are not limited to, the use of an ATV or backpack sprayer. The CLMCD and its partners or contractors may install temporary signs as required by the permit to notify the Owners and public of the recent application of herbicide to the Property. The CLMCD agrees to notify the Owners when activities conducted by the CLMCD, its employees, partners or contractors are to take place on the Property.

The Owners agree to allow the treated areas to return to native, natural vegetation. The Owners agree not to introduce invasive plants or to plant crops or cultivated species within the treated areas on the Property.

Any activities on the Property done under this provision shall be at the option and expense of the CLMCD. The Owners shall remain liable for all real property taxes and assessments and all other expenses pertaining to ownership of the Property. The option for landowner donation is available.

The Owners further consent to the inspection of the activity site by the CLMCD, the MDNR, and their respective employees and representatives as may be required for the CLMCD's compliance with its grant requirements with the MDNR.

3. LIABILITY/INSURANCE. Throughout the duration of this agreement, the CLMCD and any contractors shall carry a policy of liability insurance covering its activities on the Property described herein. At the request of the Owners, the CLMCD shall provide the Owners with a certificate or other evidence that such insurance is in effect.

4. DISCLOSURE OF INFORMATION. The Owners acknowledge that data and location information (including without limitation geospatial data, species inventories, etc.) obtained by the CLMCD on the Property will be submitted to the MDNR and other parties and may be further disclosed and disseminated. The Owners expressly grant permission to the CLMCD to disclose and disseminate such information.

5. TERMINATION. Either party may terminate this agreement with or without cause by providing thirty (30) days written notice to the other party.

6. NOTICE. Where this agreement requires written notice or the submission of reports to the parties, these documents shall be hand delivered or mailed to the parties at the addresses set forth below:
